

I AM UNREASONABLE. I REFUSE TO ACCEPT THE WORLD AS IT IS. I WANT TO USE MARKETS TO WORK FOR PEOPLE AND THE PLANET. I NEED TO SCALE BOTTOM-UP SOLUTIONS TO SOLVE TOP-DOWN PROBLEMS. I BELIEVE IN PROFIT WITH PRINCIPLE. I SEE A BETTER WAY. I AM NOT ALONE.

I AM A SKOLLAR.

Entrepreneurship**  
Saïd Business School

The Skoll Scholarship provides social entrepreneurs with a one-year Oxford MBA at Saïd Business School. It gives you the knowledge, skills and networks to strengthen the impact of your ventures. The scholarships are fully-funded, covering fees and a living stipend.

We want you to show us ways that you've used market-based approaches to make social and environmental change, and a clear vision of what the Scholarship will help you achieve.

The 2010-2011 Skoll Scholarship application is now open until April 2nd, 2010. Details on how to apply are on [www.skollcentre.org](http://www.skollcentre.org)

I am a Skollar. Are you?
