### Saïd Business School

Saïd Business School at the University of Oxford blends the best of new and old. We are a vibrant and innovative business school, but yet deeply embedded in an 800-year-old world-class university. We create programmes and ideas that have global impact. We educate people for successful business careers, and as a community seek to tackle world-scale problems. We deliver cutting-edge programmes and ground-breaking research that transform individuals, organisations, business practice and society.

### Advertise a vacancy

Employers can use our online career management system, Careers@Saïd, to post and manage an unlimited number of jobs, as well as set parameters for the job openings. The system can manage the applications, and send email reminders to employers when a student applies for a job, or when the posting is about to expire. You can register on Careers@Saïd through the following link: <https://sbs-oxford-csm.symplicity.com/employers/index.php>
